Alice is a doll. She lives in a pretty toyhouse. There are three rooms in the toyhouse: a bedroom, a dining-room and a kitchen.

The kitchen is very small. There is a gasstove, a little table and a stool in the kitchen. We see many dishes, pots and pans on the shelves. Alice cooks her meals in the kitchen.

Alice has her meals in the dining-room. She has breakfast in the morning, she has dinner in the afternoon and supper in the evening. The dining-room is very big. We see a round table, many chairs, a cupboard, a sofa and a piano in the dining-room. There are two windows with pretty curtains. We see many pictures on the walls.

Alice sleeps in her bedroom. We see a bed, a wardrobe, a little table, an arm-chair and a mirror in the bedroom. We see a pretty vase and a lamp on the table. Alice has many dresses in her wardrobe. Alice sleeps in her big bed, with a white sheet, two pillows and a nice blanket. She is asleep now in her bed.
